AND MUCH MORE

Dear Friend of Hudson High School,

For **29** years a large group of parents have organized a lock-in party for the Hudson High School graduating seniors. This celebration event has continued to provide a popular and safe environment for seniors to celebrate one last time together. As one senior said last year, "I absolutely loved the Senior All Night Party! I couldn't believe how many people signed up and actually came! I wish I could go again this year and play more of the carnival games to win things for my dorm room."

In addition to planning the graduation night event, Hudson SAFE will seek ways to coordinate and support other school-related programs with a similar mission. Hudson SAFE, Inc. is a 501(c)3 tax exempt organization.

On graduation night, our goal will be to continue to achieve over 90% attendance at the senior party. This year that will mean approximately 375 teens will gather at the high school between the hours of 10:00pm and 5:30am on Saturday, June 7, 2014. In order to reach our attendance goal, it is vital that the party is "the place to be" on graduation night. It is an ongoing challenge to provide exciting, fun activities, and prizes for our students. Again, our motivation is to attract the graduates to the party so they spend the evening in a safe, supervised environment.

We need your help! The graduation party is funded by ticket revenue and by the generous donations of our supporters. The funds we raise cover the cost of prizes, entertainment, games, decorations, and food – all organizing and work is done through hundreds of volunteers. It is our goal to keep the cost of tickets within reach of all students and ensure this year's party is a success. Your donation of any size would be greatly appreciated.

Thank you so much for your past support and continued involvement with Hudson SAFE, Inc.

Sincerely,

Hudson SAFE Planning Committee
