

The students of the 2019 graduating class are in the final stages of completing their journey that began over twelve years ago. Many parent volunteers have joined Hudson SAFE, Inc in organizing the traditional Senior All Night Party to provide students the opportunity to celebrate one last time together in the ever popular and safe environment. In addition to planning the graduation night event, Hudson SAFE coordinates and supports other school-related programs with a similar mission. *Hudson SAFE, Inc is a 501(c)3 tax exempt organization.*

As you may know, the party is a chemical free lock-in event designed to give graduating seniors a memorable setting with friends and fellow classmates to win prizes, play games and safely celebrate their graduation milestone. Since its inception in May of 1986, there has not been one graduation night death or other tragedy among our youth. Our goal has been and continues to be participation of at least 90% of the senior class. To encourage attendance, it is essential not only that Hudson High School be viewed as THE place to be between the hours of 10:00pm and 5:30am following graduation, but also that ticket prices remain reasonable for students.

We need your help! The funds we raise cover the cost of prizes, entertainment, games, decorations and food. *You can donate in one of several ways, monetarily, or in gift certificates and prizes.* A list of all donors will be published in the Hudson Star Observer following the May 19th event. In addition, businesses and/or individuals making donations valued at \$500 or more will be featured weekly in the HSO. *Your donation of any size would be greatly appreciated!*

Thank you for your past support and continued involvement with Hudson SAFE, Inc. If you have any questions, or have a merchandise donation to be picked up, please feel free to contact us.

Sincerely,

Cheryl Rutten
